Dear Mr. Harris:

Here are the final addendums to the 1992 Oceana RFI project plans that have been prepared for Phase III soil, sediment, and groundwater sampling at Oceana. This document contains final addendums to the 1992 RFI work plan, field sampling plan, quality assurance project plan, and data management plan. An updated health and safety plan is also included.

We look forward to conducting the Phase III field investigation the week of December 8, 1997. If you have any comments or questions, please call me at 703/471-6405 x4321.

Sincerely,

CH2M HILL
